1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$450,000.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is Sandbox Lending Corp. (HTM demo). I will make all payments under this Note in the form of cash, check or money order. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 6.250%. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments. I will pay principal and interest by making a payment every month. I will make my monthly payment on the 1st day of each month beginning on 11/01/2026. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on 10/01/2056, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date." I will make my monthly payments at High Tech Mortgage, Inc. Loan Servicing, P.O. Box 0000, Sacramento, CA 95814 or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments. My monthly payment will be in the amount of U.S. \$2,770.73.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may make a full Prepayment or partial Prepayments without paying a Prepayment charge.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments. If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000% of my overdue payment of principal and interest (\$138.54). I will pay this late charge promptly but only once on each late payment.

(B) Default. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. (C) Notice of Default. If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Deed of Trust (Fannie Mae Form 3013 (Idaho)), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note.

WITNESS THE HAND(S) AND SEAL(S) OF THE UNDERSIGNED.
